

Healthcare's Digital Revolution: (Finally) A Time for Optimism

with **Robert M. Wachter, MD**

Professor and Chair, Department of Medicine
University of California, San Francisco

at **Sinai Health – Mount Sinai Hospital**

Ben Sadowski Auditorium, 18th floor

Wednesday, October 23, 2019 @ 12:00 to 13:00

LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. Summarize the reasons why healthcare has gone digital only over the past couple of years,
2. Cite the two key steps by which the “productivity paradox” – the surprising lack of improvements in the first years after an industry goes digital – is resolved, and
3. Describe at least one use of technology that illustrates “reimagining the work.”
