EPA Overview for Transition to Discipline – PGY1

The table below outlines the EPAs mapped to each Transition to Discipline (TTD) rotation.

Residents are expected to collect 3-5 entrustments per TTD rotation (8 total in TTD).

Refer to the Rotation Card for a summary of the required number of entrustments per rotation.

Rotation	Priority	Complete if you can	Optional
MSK	TTD-1, TTD-2, TTD-4	TTD 3, TTD 5	n/a
Neuro (ABI/SCI/Stroke)	TTD-1, TTD-2, TTD-4	TTD 3, TTD 5	n/a

EPA Code	EPA Name
TTD-1	Performing physiatry-focused histories
TTD-2	Performing physiatry-focused physical examinations
TTD-3	Generating a problem list based on the International Classification of Functioning (ICF) Framework
TTD-4	Completing clinical documentation
TTD-5	Providing patient handover
